About the Position – RN, EEN and Therapy Aide

Are you passionate about nursing in Aged Care but don't want to work in a traditional Residential Aged Care Facility? Do you want to be able to provide clinical care and build relationships with residents and families without the constraints of ACFI and associated paper work found in traditional Aged Care Facilities?

As the leaders in Aged Care Supported Living, we are looking to enhance the current Clinical Care team as part of our new innovative direction in Aged Care. We are seeking RN's, EEN's and Physiotherapy Aides to be part of our exciting new model, with our individualized resident centered approach to care.

If you are an experienced, passionate and motivated individual who wishes to work closely with a supportive and skilled Care (Operations) Manager and Director of Care, to build on the current model of care that is already in place in our supported Villages, apply today!

About the Practice

Tall Trees is a pioneer in a new era of aged care in Australia, providing a premium service to our residents with the highest standards of care when they require it. It's about ensuring that residents can live the way they want to, while receiving a level of personal and nursing assistance that's right for them. All residents in our neighbourhoods live in self-contained apartments that have everything they need to live happily and comfortably, with large lounge rooms, fully-featured kitchens and spacious courtyards and balconies. Our neighbourhoods have experienced nursing staff on site 24/7, so residents can rest assured that they're always in safe hands.
