About the Position – General Practitioner

Looking for an experienced vocationally registered full- time / part- time General Practitioner, for a fully computerised family oriented practice, with friendly staff located in Tingalpa Area.

About the Practice

Tingalpa Family Health Care Centre is a group general practice located in Tingalpa, a southern suburb of Brisbane. We are a non-corporate practice. The practice has been located in the area for close to 35 years. A dental clinic occupies the adjoining premises. The practice consists of two full-time doctors supported by three receptionists. The doctors provide a comprehensive range of family medical services and have special interests in women's health, occupational health, medical acupuncture, travel health, maternal and child health and integrative medicine. Patient health records at the practice are maintained using Medical Director and have broadband facilities. The billing and appointments systems are manual at present but the surgery will be using PracSoft soon. Billing structure is a combination of both bulk billing and private billing. The surgery is accredited against RACGP Standards. The surgery participates with the University in the teaching of medical students. Undercover parking facilities located on practice premises for the staff. Ample parking also on premises for patients. Practice hours – Monday – Friday the Surgery is opened 8.00a.m. – 6.00p.m. and on Saturday 8.00a.m. – 12.30p.m. After hours service is maintained by practice mobile by Practice Principal.
