About the Position – General Practitioner

HealthFirst have GP positions available at our Medical Centres at Alexandra Hills, Arundel (Gold Coast), West End and North Lakes.

Hours of work can range from part time to a full time position and can be negotiated with your present circumstances in mind.

All GP's are paid fortnightly. HealthFirst offers a great opportunity that allows the GP to have a more relaxed working environment. HealthFirst understands that you sometimes need to take leave at short notice or deal with family events and we try to accommodate all requests amicably.

About the Medical Centre

Flexible hours and conditions to suit your lifestyle

HealthFirst is looking to expand. If you want an enjoyable environment, high earning capacity, nursing support and flexibility, this might be the GP position to suit you.

All medical centres have modern, well equipped facilities and are complemented by a treatment room with a Nurse available to assist each day.

HealthFirst medical centres all meet accreditation standards and offer mixed billing fees. The medical centres currently offer childhood immunisations, travel vaccinations, health checks and management plans with support from your experienced nursing team.

The Doctors have regular meetings with the Reception and Nursing team to encourage growth and new ideas to help patients receive the care needed.

Our goal is to continue to build a family medical centre where the patients know their doctor
